The Women's Review of Books

Index to Volume VII

October 1989-September 1990

The Index is in two parts. Part One is a combined author and title index of all works reviewed. Essays and interviews are also included, shown in quotation marks (e.g. *"Class Struggle: Shakespeare and Sexism."* **7:5,Feb 90**). Part Two is a reviewer index, listing the writers of reviews or essays and the subjects of interviews.

Entries in the Index are identified by volume and number, then month and year. (A double issue, No.10-11, is published in July.)
